THE USDA IS AN EQUAL OPPORTUNITY EMPLOYER AND PROVIDER

Seamless Menu Campaign Integration

We make it easy to make a menu once and keep it updated automatically. Seamlessly sync your menus and nutrition data with videos, graphics and plug-ins.

Menus that Engage, Captivate and Educate

Inspire taste and appetite - stimulate and educate! Designed for students who live in a digital world and fashioned to grab and keep their attention. We help you to nourish minds and bodies by serving up flavorful images that fire up the taste buds.

Largest School Nutrition Media Library

We make it easy to enhance menus and build your brand using the largest media library of nutrition and fitness education images and videos.

Smart Software Design

We engineered our Digital Menu Board software to be the easiest to use, most engaging to watch, and a breeze to support...both for us and for your district IT department. It is the most IT friendly web based software available in schools today.

This unique software platform delivers eye-popping visual menus through a surprisingly simple content management control panel with real-time edits and easy point n' click asset management.

Permission Based User Access

Our software is flexible, allowing for multiple user access based on well defined permissions by individual, site, menu or media asset.
